

**UNAP Local 5008 Kent Hospital
Annual Children's Fundraiser
DCYF of Southern Rhode Island**

Donations will go to children of all ages that find themselves in a desperate and often terrifying situation. Hurlled into a world of uncertainty with only the clothes on their backs they have access to very little in terms of items we take for granted. At this time, Christmas time, can be particularly distressing for these kids.

Please help by donating coats, backpacks, personal hygiene products (for teens), toys for the little ones, and gift cards are always a good idea.

Drop offs always welcome at 375 Branch Ave Prov. RI Mon-Fri 9a-4p
Last collection day will be at membership meeting December 16th-Crowne Plaza
